

Bespoke Notting Hill

The Bespoke Notting Hill mattress is custom crafted in Canada to offer deep seated plush comfort and medium firm support. Its plush Tight Top-and-Tufted Flip design features a fully folding core of 1026 cotton wrapped and sewn pocket coils in Queen-size that sensitively adjusts to the body's natural contours and provides exceptional pressure relief with proper spinal support. It is then fully upholstered with plush natural layers of luxurious New Zealand wool, blended wool and cotton fibres and, pure cotton felted fibres. The mattress is finished in a hand tailored, Belgian stripe damask fabric with matching borders. Finally, the Notting Hill is carefully hand-tufted in a measured pattern to both stabilize and accentuate the comfort and support that only this mattress will provide. No foam encasement is ever used. Currently offered in King and Queen size only. With matching fully upholstered 9 inch Sprung Divan foundation to gently support the mattress. This mattress or set comes with a 15 year warranty.
